	<u>9.10.2001</u> : Shri Prashant Mishra for the petitioner. Dr. N.K.Shukla for respondent no.1 Shri S.L.Bajaj for respondent no.2 The petitioner is aggrieved that she was not permitted to take her examinations of the 3rd year of Bachelor of Fine Arts on the ground that ~~there~~ she has not obtained the required percentage in attendance in terms of the University Regulations. Prescribed attendance is 75%. In exceptional cases it could be upto 60%. However, unfortunately because of ailment the writ petitioner obtained only 19% of attendance. There is no provision in which she could have been allowed to take her examinations. Shri Prashant Mishra has strenuously urged before me that this matter should be considered on humanitarian ground on account of sickness. In my view 19% of attendance is nowhere near-about the percentage of minimum attendance allowable with all concessions in terms of Regulation prescribed in this regard. Shri Bajaj submits that the petitioner may be permitted to take the examinations as an Ex student. There is no provision to permit the writ petitioner to have re-examination to be arranged by the University only for her. ...2

	After hearing counsel for the parties and on perusal of the relevant regulation I am of the view that the relief sought for in this writ petition can not be allowed. Accordingly this petition is rejected. I may however state that if the writ petitioner approaches the respondents for consideration to permit her to take her examination as Ex-student such request shall be considered sympathetically, for the earliest available opportunity to take such examination.
